Twin Boroughs Recycling Program

Information for Stroudsburg Residents

Did you know that Recycling is Mandatory in Stroudsburg?

The Stroudsburg Borough Code, §20-202, makes curbside pick-up of certain recyclables mandatory for all residents. Penalties include fines of up to \$600.

All curbside recycling collection at private residences must be conducted by Twin Boroughs Recycling staff. The use of trash haulers for single stream recycling collection for residential customers is strictly prohibited.

Once recyclable materials are placed curbside, they are the property of Stroudsburg as outlined in §20-203 of the Borough Code. Anyone other than Twin Boroughs Recycling collecting, or picking up materials, is prohibited.

Let's work to make Stroudsburg the best community possible. Recycling is the right thing to do... and the law.
